NOTES:

Red text indicates courses required to advance from Pre-Biology to Biology (C- or better)
Purple text indicates elective courses that must be completed to be awarded the Pre-Medical Sciences Concentration.
** Indicate courses that can be taught specifically for Pre-Medical Sciences students if there is sufficient interest. See webpage for details.
Highlight indicates courses required for Texas veterinary schools. Animal Nutrition is required but not offered at UTSA.
Please check specific requirements for the schools to which you plan to apply.
