

UTSA GRADUATE CERTIFICATE IN Professional Development in GIS

Student Name: \_\_\_\_\_ BANNER ID: \_\_\_\_\_

- I intend to pursue the Graduate Certificate in PROFESSIONAL DEVELOPMENT IN GEOGRAPHICAL INFORMATION SCIENCES in the College of Sciences Department of Earth and Planetary Sciences.
I have been admitted to UTSA as a special (non-degree seeking) graduate student.
I am currently enrolled in a UTSA graduate program: Degree Program: \_\_\_\_\_ Expected Graduation Date: \_\_\_\_\_

Students currently enrolled in a graduate degree program meet the requirements for admission. No additional application process is necessary.

Students not currently enrolled in a UTSA graduate degree program must apply to UTSA as a special (non-degree seeking) graduate student and indicate intent to enter this certificate program. However, admission into or completion of a certificate program does not constitute or guarantee entry into a graduate degree program. Special graduate students will not be eligible for financial aid.

Prerequisite Background Courses: The Certificate Program Coordinator may determine that a student requires prerequisite background courses to be adequately prepared for the courses included in the certificate program. This will be noted in the students file and the student will be notified that the prerequisite courses must be taken before enrolling in certificate program coursework.
