

NPRE APPLICATION ESSAY

Please write an essay in the space provided that answers the prompt below (100-200 words). The response can be handwritten or typed (single space).

- Why I want to participate in *The NPRE Program*.
- Why *The NPRE Program* is important to me.
- What I like about STEM (Science, Technology, Engineering, and Mathematics)

Once completed, please sign the document as prompted below and return according to the application instructions on our program website.

Honor Pledge: I am a scientist in training, and my integrity is important to me. Therefore, I will work independently on this essay, and will not consult/collaborate with others. I will not copy/paste from Wikipedia or other sources, but will use my own words to convey my understanding.
